CVPR Technical Program: Call for Papers

CVPR 2004 will be held at the <u>Grand Hyatt in Washington DC</u>, located in the heart of Washington's business and federal districts, just steps from the Washington Convention Center, MCI Center, The White House, and the free monuments and museums of the city.

Papers in the main technical program must describe high-quality, original research. Topics of interest include all aspects of computer vision and pattern recognition including, but not limited to, the following areas:

Sensors and Early Vision Video Analysis and Event Recognition

Color and Texture Face and Gesture
Segmentation and Grouping Perceptual Interfaces

Motion and Tracking Statistical Methods and Learning

Stereo and Structure from Motion Performance Evaluation
Image-Based Modeling Medical Image Analysis
Illumination and Reflectance Modeling Image and Video Retrieval

Shape Representation Vision Systems
Object Recognition Applications

Important Dates

Workshop proposal: 15th October, 2003
Short course proposal: 15th October, 2003
Paper registration (with abstract): 14th November, 2002
Submission of full paper: 19th November, 2003
Notification of paper acceptance: 2nd March, 2004

Short Courses & Workshops: 27-28th June & 2nd July, 2004 Main Conference: 29th June – 1st July, 2004

All submissions will be done electronically. Submission instructions will be posted on the conference website soon. Reviewing will be double-blind. In submitting a manuscript to CVPR, authors acknowledge that no paper of substantially similar content has been or will be submitted to another conference or workshop during the CVPR review period.

In addition to the main technical program, the conference will include Short Courses, Workshops, and Demonstrations. Submit proposals to the appropriate chair. More information about these events can be found at the CVPR web site.
