Call for Papers

You are invited to participate in the International Conference on Cognition and Recognition to be held during 22-23, December 2005. This conference is in continuation to two National conferences Document Analysis and Recognition organized during 2001 and 2003.

The objective of the conference is to create a stage for researchers working in the area of computer cognition and recognition to discuss and interact for the development of research in this main area. It brings together both researchers and practitioners for divergent field of computer vision, Image processing, Pattern recognition, machine learning and allied fields.

The topic of interest for submission of papers, but not limited to

Document Analysis and Recognition	Character Recognition	Text Mining
Neural Networks	Medical Imaging	Language Recognition
Computational biology	Stegnography and Digital Watermarking	Content based Image Retrieval
Fractals	Fuzzy Sets	Evolutionary computing
Soft Computing	Wavelets	Video analysis
Machine Vision	Image Rendering	Human Machine Interface
Machine Learning	Image Processing	Artificial Intelligence
Remote Sensing	Hardware for PR and MI	Image Compression
Handwriting Analysis	Multimedia Computing	Digital Libraries
Bio-informatics	Genetic Algorithms	Multimedia Documents

Fees

Students/Research Scholars	Rs 1500
Academicians	Rs 2000
Others	Rs 4000
Non Indians	$ 150

Important Dates

Paper submission due:	30-June-2005
